Subject: AW: aircraft cabin air conference in london
Date: 28 August 2017 14:38:53 BST
To: GCAQE <gcaqe@gcaqe.org>

Dear Ms Michaelis,

Many thanks for the invitation to the conference an 19./20. September 2017 in London.

BDL will not be able to participate. We intensively concentrate on our work on this important and complex issue together with all of our members, the safety experts, our unions, the national and European safety and oversight authorities, the manufactureres, the health experts and research institutions, like the German DLR.

I would like to forward you our current progress report; see attached.

Kind regards,
Marian Kortas

Marian S. Kortas, Master of Engineering (M.Eng.), Master of Aviation Management

Betreff: aircraft cabin air conference in london

Dear Mr Kortas,

On behalf of the organiser's of the 19-20 September 2017 International Aircraft Cabin Air Conference being held in London, can you please advise if the BDL will be sending any representative to the conference. We believe you are aware of this important conference, the largest international conference on this important global topic to date.

You can find the latest list of speakers including EASA on the conference website. <https://www.aircraftcabinair.com/>

Kind regards

Dr Susan Michaelis PhD, MSc, ATPL
Head of Research
Global Cabin Air Quality Executive (GCAQE)
